2022 is going to be the year of Shopping Local and supporting our local entrepreneurs. As you saw in 2021, the Chamber is putting together events & activities in the area with record number of attendees and opportunities to showcase your businesses. This would include The FACC Gala, Harvest Moon Festival, Community Socials, and Networking Opportunities.

With the lifestyle changes occurring the last two years the Chamber is stepping up its social media presence as well to encourage our community members and guests to come shop local. We look forward to interviewing and visiting our members throughout the year to help support and showcase our businesses.

To continue ensuring we are doing the best we can for our members a survey will be emailed out in January asking multiple questions including "How can the Chamber help and/or support your business?". We are always open to new ideas and are looking for volunteers with a passion for our local businesses.

Without your support the Forsyth Area Chamber wouldn't exist to be able to support our community & businesses. You will find attached our investment schedule. Notice, unlike many other things in the world, we kept our investments low again for 2022. This is just another way we are working to help you.

Cheers to a great 2022!
